FALL SCHEDULE 2009

***Department of Fire Services
Office of the State Fire Marshal Code Enforcement Training***

IMPORTANT REGULATORY CHANGES EFFECTIVE JANUARY 1, 2010

***** PLEASE READ *****

***** IMPORTANT UPDATED INFORMATION *****

**** The following two modules have been included within the November, NFPA 13D/13R and December, Fire Alarm Plan Review courses****

**Special Enhanced Sprinkler Protection for Buildings With Over 7,500 Sq. Ft.
Update to M.G.L. Chapter 148 § 26G**

This program will present an overview of the enhanced sprinkler requirements of Chapter 148 § 26G that is enforced by the fire departments on a statewide basis. The presentation will cover the provisions of this law including the significant amendments effective January 1, 2010.

**Commercial Cooking Operations
Updates to 527 CMR 11.00**

This program will review the revisions to the existing regulation and the new requirements for cleaning/inspection. 527 CMR 11.01 pertains to the design, installation, operation, cleaning, and maintenance of all public and private commercial cooking operations.

Register Early!

*For those that are already pre-registered for any of the following classes, please **DO NOT** reapply. For those interested in registering, please use a standard MFA application. Register on line or fax MFA application to 978-567-3229.*
